HERRINGBONE · REF CFP220

American Oak Herringbone

American Oak Herringbone is a natural, honey-toned American oak that suits almost any scheme.

Supplied 125 × 600 mm with a 3 mm wear layer on a 14 mm engineered board. Laid in the classic zig-zag, herringbone brings rhythm and craft to hallways, living rooms and open-plan kitchen-diners.

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.
