HERRINGBONE · REF CF452

Natural Herringbone Oak

A true natural oak herringbone: honey-toned blocks with the grain left to speak for itself. Brushing opens the surface so the figure of the oak reads clearly, and a UV-cured oil finish keeps the look soft and close to raw timber rather than glossy.

At 90 × 450mm the blocks are the classic herringbone proportion — small enough to give a busy, crafted rhythm in a hallway, generous enough to stay calm across an open-plan kitchen-diner. A dependable first choice if you want herringbone that suits almost any scheme.

Product specification

Product name	Natural Herringbone Oak
Reference code	CF452
Flooring type	Engineered oak — herringbone
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	14 mm
Wear layer thickness	3 mm
Board width	90 mm
Board length	450 mm
Wood species	Oak
Grade	*Available on request*
Surface finish	Natural brushed & UV oiled
Installation method	*Available on request*
Joint profile (T&G; / click)	*Available on request*
Underfloor heating	*Available on request*
Max. floor surface temperature	*Available on request*
Installation conditions	*Available on request*
Pack coverage	*Available on request*
Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Oiled Oak Floors** care guide.
