HERRINGBONE · REF CF459

White Oiled Herringbone Oak

White Oiled Herringbone Oak is a pale, white-toned oak herringbone with a soft Scandinavian feel, in a larger 125 × 600mm block.

The broader block suits bigger rooms and open-plan spaces, giving a calm, light herringbone that bounces daylight around the room.

Product specification

Product name	White Oiled Herringbone Oak
Reference code	CF459
Flooring type	Engineered oak — herringbone
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	14 mm

Installation method	*Available on request*
Joint profile (T&G; / click)	*Available on request*
Underfloor heating	*Available on request*
Max. floor surface temperature	*Available on request*
Installation conditions	*Available on request*
Pack coverage	*Available on request*
Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Oiled Oak Floors** care guide.
