PLANK · REF CF488

Smooth Oiled Engineered Oak

Smooth Oiled Engineered Oak has an unbrushed, smooth surface and a natural oil finish, so the grain shows clearly with a gentle sheen and a soft touch.

Supplied 150mm wide in random lengths, it gives a traditional laid-floor look. The smooth surface suits clean, minimal interiors as well as classic homes.

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Oiled Oak Floors** care guide.
