PLANK · REF CF494

Invisible Finish Lacquered Matt Engineered Oak

A raw-look engineered oak plank with a matt lacquer that protects the board while keeping the pale, untreated colour of fresh-sawn oak. It is the look many designers ask for — natural and understated, with no orange tint.

The 190 × 1900mm board is a well-proportioned modern plank that suits most rooms, from bedrooms to open-plan living. The lacquered surface is low-maintenance and a sensible choice for busy family homes.

Product specification

Product name	Invisible Finish Lacquered Matt Engineered Oak
Reference code	CF494

Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Lacquered Oak Floors** care guide.
