HERRINGBONE · REF CF472

Dark Brushed & Matt Lacquered Oak Herringbone

Dark Brushed & Matt Lacquered Oak Herringbone is a deep, dark-toned wood that anchors a room and contrasts with pale walls. Brushing lifts the grain so the figure of the wood reads clearly and gives a subtle texture you can feel. A matt lacquer gives a hard-wearing, low-sheen surface that is easy to keep clean.

Supplied 80 × 300 mm with a 3 mm wear layer on a 18 mm engineered board. Laid in the classic zig-zag, herringbone brings rhythm and craft to hallways, living rooms and open-plan kitchen-diners.

Product specification

Product name	Dark Brushed & Matt Lacquered Oak Herringbone
Reference code	CF472
Flooring type	Engineered oak — herringbone
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	18 mm

Installation method	*Available on request*
Joint profile (T&G; / click)	*Available on request*
Underfloor heating	*Available on request*
Max. floor surface temperature	*Available on request*
Installation conditions	*Available on request*
Pack coverage	*Available on request*
Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Lacquered Oak Floors** care guide.
