PLANK · REF CFS157

Dark Brushed & Matt Lacquered Oak Plank

Dark Brushed & Matt Lacquered Oak Plank is a deep, dark-toned wood that anchors a room and contrasts with pale walls. Brushing lifts the grain so the figure of the wood reads clearly and gives a subtle texture you can feel. A matt lacquer gives a hard-wearing, low-sheen surface that is easy to keep clean.

Supplied 125 mm wide in random lengths with a 3 mm wear layer on a 14 mm engineered board. As a plank floor it gives a calm, continuous look that runs easily from room to room. Random lengths give the natural, irregular joint pattern of a traditionally laid floor.

Product specification

Product name	Dark Brushed & Matt Lacquered Oak Plank
Reference code	CFS157
Flooring type	Engineered oak — plank
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	14 mm

Board width	125 mm
Board length	Random length
Wood species	Oak
Grade	*Available on request*
Surface finish	Dark brushed & matt lacquered
Installation method	*Available on request*
Joint profile (T&G; / click)	*Available on request*
Underfloor heating	*Available on request*
Max. floor surface temperature	*Available on request*
Installation conditions	*Available on request*
Pack coverage	*Available on request*
Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Lacquered Oak Floors** care guide.
