CHEVRON · REF CFC459/1

Dark Brushed & Oiled Oak Chevron

Dark Brushed & Oiled Oak Chevron is a deep, dark-toned wood that anchors a room and contrasts with pale walls. Brushing lifts the grain so the figure of the wood reads clearly and gives a subtle texture you can feel. The oiled finish soaks into the wood for a natural, matt look and can be refreshed with maintenance oil.

Supplied 90 × 510 mm with a 3 mm wear layer on a 14 mm engineered board. Chevron blocks meet in a straight centre line, giving a crisp, directional pattern that lengthens hallways and organises open spaces.

Product specification

Product name	Dark Brushed & Oiled Oak Chevron
Reference code	CFC459/1
Flooring type	Engineered oak — chevron
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	14 mm

Installation method	*Available on request*
Joint profile (T&G; / click)	*Available on request*
Underfloor heating	*Available on request*
Max. floor surface temperature	*Available on request*
Installation conditions	*Available on request*
Pack coverage	*Available on request*
Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Oiled Oak Floors** care guide.
