PLANK · REF CFD21

Dark Oiled Oak Plank

Dark Oiled Oak Plank is a deep, dark-toned wood that anchors a room and contrasts with pale walls. The oiled finish soaks into the wood for a natural, matt look and can be refreshed with maintenance oil.

Supplied 220 × 2200 mm with a 4 mm wear layer on a 15 mm engineered board. As a plank floor it gives a calm, continuous look that runs easily from room to room.

Product specification

Product name	Dark Oiled Oak Plank
Reference code	CFD21
Flooring type	Engineered oak — plank
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	15 mm
Wear layer thickness	4 mm

Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Oiled Oak Floors** care guide.
