PLANK · REF CFP226

Engineered Wood Plank

Engineered Wood Plank is a natural, honey-toned engineered wood that suits almost any scheme.

Supplied 190 × 1900 mm with a 3 mm wear layer on a 14 mm engineered board. As a plank floor it gives a calm, continuous look that runs easily from room to room.

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.
