PLANK · REF CFA120

Natural Heavy Brushed Handscraped Distressed & Hard Wax Oiled Oak Plank

Natural Heavy Brushed Handscraped Distressed & Hard Wax Oiled Oak Plank is a natural, honey-toned oak that suits almost any scheme. The surface is heavily brushed, hand-scraped and distressed for an aged, reclaimed character with plenty of texture underfoot. A hard wax oil finish gives a natural, matt look and can be refreshed and spot-repaired over the years.

Supplied 200 × 2200 mm with a 5 mm wear layer on a 20 mm engineered board. As a plank floor it gives a calm, continuous look that runs easily from room to room.

Product specification

Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Oiled Oak Floors** care guide.
