CHEVRON · REF CFC454

Raw Look Invisible Lacquered Oak Chevron

Raw Look Invisible Lacquered Oak Chevron is a pale, raw-look oak that keeps the colour of freshly sanded timber. An invisible lacquer protects the surface while keeping the untreated, natural look.

Supplied 90 × 510 mm with a 3 mm wear layer on a 14 mm engineered board. Chevron blocks meet in a straight centre line, giving a crisp, directional pattern that lengthens hallways and organises open spaces.

Product specification

Product name	Raw Look Invisible Lacquered Oak Chevron
Reference code	CFC454

Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Lacquered Oak Floors** care guide.
