PLANK · REF CFA107

Smoked Brushed & UV Lacquered Oak Plank

Smoked Brushed & UV Lacquered Oak Plank is a smoked oak with a deeper brown tone and natural colour movement. Brushing lifts the grain so the figure of the wood reads clearly and gives a subtle texture you can feel. The UV lacquer is cured in the factory, giving a durable, easy-clean surface that is ready to live on once laid.

Supplied 190 × 1900 mm with a 6 mm wear layer on a 20 mm engineered board. As a plank floor it gives a calm, continuous look that runs easily from room to room.

Product specification

Product name	Smoked Brushed & UV Lacquered Oak Plank
Reference code	CFA107
Flooring type	Engineered oak — plank
Construction	Engineered — oak wear layer bonded to a stable core
Overall thickness	20 mm

Underfloor heating	*Available on request*
Max. floor surface temperature	*Available on request*
Installation conditions	*Available on request*
Pack coverage	*Available on request*
Standards & certifications	*Available on request*

Notes

Items marked *available on request* are not yet confirmed for this product and are deliberately left blank — please contact us to confirm installation method, underfloor heating limits, pack coverage and certification before specifying or installing. Natural oak varies in colour and grain between boards and batches; photographs are representative, so always approve a physical sample before ordering.

Care: see the Cambridge Floors **Lacquered Oak Floors** care guide.
